MESSAGE FROM GISD

We Need You!

APICS and Garland ISD are working together to build the Future!!!

Two Big Events in the Spring of 2019:

Career Days - February 27th & 28th, 2019

STEAMposium/Science Fair: April 27th, 2019

Please join us in creating opportunities for Garland ISD's Supply Chain & Logistics Management Education Program.

Please contact STEM Coordinator: Bud Browne
972-342-4472 or budbrowne@inzynch.com

Become a part of the Future of Supply Chain & Logistics Management.

MESSAGE FROM GISD

STEM FOR THE SUPPLY CHAIN – NEW APICS COMMITTEE

APICS North Texas Board is pleased to announce the formation of a new committee to work on student & community engagement projects revolving around STEM for supply chain education.

Our STEM coordinator and Board member, Bud Browne is leading the committee. We invite all Chapter members to consider participating in this meaningful committee.

Our first initiative is with **Garland ISD's Supply Chain & Logistics Technical Education Program**. You can watch their [introductory video](#) to learn more!

Please save the dates for our upcoming meetings & events. More information about how we will participate will be coming shortly.

Educational Advisory Committee Kickoff meeting, January 10, 2019

Career Days February 27 & 28, 2019

STEAMPOSIUM / Science Fair April 27, 2019 – Saturday all day

We hope you will join Bud Browne in this exciting new venture.

Please contact Bud for more information.

budbrowne@inzynch.com or cell phone 972-342-4472

PROFESSIONAL DEVELOPMENT MEETING

Thursday, January 10th, 2018 | 6pm—9pm

TOPIC: Getting Results without Drama

SPEAKER: Pam Boyd

LOCATION: Crowne Plaza—14315 Midway Road, Dallas, TX 75244

Pam ended her management career as a Vice-President and Chief Operating Officer for Sonny Bryan's Barbeque. In 1998, she launched Dramatic Conclusions, a consulting firm providing leadership and management support.

Schedule

6:00pm—Welcome

6:30pm—Dinner

7:00pm—Presentation

8:30pm—Networking

This is a high-energy, honest, funny, and interactive workshop that provides practical guidance for 1) leveraging behavioral change with difficult people, 2) setting contingencies that will eliminate surprises and indigestion when agreements fall apart, or progress disappoints, 3) removing “chips” off people’s shoulders, 4) better communication, teamwork, and delegation, and 5) getting full engagement with bosses, coworkers, and employees. This presentation benefits managers and employees, providing easy-to-use tools that can be quickly implemented and passed on to the leaders we are developing for the future.

Pam has worked with clients in all 50 states, Australia, New Zealand, Mexico, Canada, the Virgin Islands, and Europe, and has written four books, *The Essential Handbook for First-Time Managers*, *The Two-Minute Tune-Up*, *The Miracle I Almost Missed* and her most recent release, *Rescripting the Workplace: Producing Miracles with Bosses, Coworkers, and Bad Days*. She is also the author of three screenplays, webinars, numerous articles, and an inspirational daily blog, *The Two-Minute Tune-up*.

NTXAPICS Volunteer Event

Sunday, December 9th, 2018 | 7AM—1PM

LOCATION: E Lawther Dr behind the Dallas Arboretum Concert Stage

ADDRESS: 8525 Garland Rd, Dallas, TX 75218

Register [HERE](#)

Volunteers set up water stations, pass out water to runners and cheer them on. There will be breakfast and lunch, volunteer shirts and great prizes for all the volunteers. We will also have DJ Kevin Smith there to keep us rocking and rolling. Registration is free for everyone!

NEWLY CERTIFIED

Congratulations to **Leon Wu** for earning his
CPIM Certification!

EDUCATION NEWS

Wanting to take your education to the next level?

NTXAPICS offers several certifications for a wide variety of professionals

Classes are also offered to prepare you for the certification exam

CPIM PART II—INSTRUCTOR LED CERTIFICATION CLASS

This class meets for 7 Saturdays starting February 16 and lasting until March 30. Register by January 26 for an Earlybird rate!

For More Info and to Register, click [HERE](#)

RECERTIFICATION PROCESS

Once you earn your APICS Certification you need to earn points annually to maintain your certification and avoid having to re-test later. 75 points are required every 5 years to maintain your CPIM, CSCP, or CLTD Certification.

Here is an easy plan to earn your 75 minimum points every 5 years (there are numerous ways to earn points):

- Maintain APICS Membership - 6 points/year = 30 points
- Attend 5 PDM's/year = 25 points
- Attend 1 APICS Conference (3 days) - 24 points

Total - 79 points
