President
Kunal Arora

Engineer by profession, Kunal is a Military Veteran from India. He is also the first student from Indian Navy to enroll for MBA Program here at UTD. He has garnered Military ethos of strategy, Leadership, ability to work cohesively in teams, developing people and making decisions in stressful conditions, often life and death. He has been handpicked for numerous diplomatic missions and worked for Nation's maiden Nuclear Submarines. After a satiating career of 10 years, he felt the need to upgrade his skill-sets and to be relevant. Here at UTD, he intends to enhance his global stature and seamlessly transition into the domain of Supply Chain and sourcing. He is interested in the areas of supply chain sustainability, strategic procurement, Supply Chain Analytics and digital supply chains to help Business companies prepare for unforeseen challenges of future.

Vice President
Sara Lemrick

Sara Lemrick is passionate about connecting students to resources that will help them reach their education and professional goals. A recent graduate of Dallas College, Brookhaven Campus, Sara served as Vice President for the International Honor Society, Phi Theta Kappa chapter Alpha Delta Pi. As Vice President, she led an inclusive membership engagement initiative in 2020 as the Training and PTK Edge Courses Project Manager. This role provided an excellent experience in developing a new virtual space that remains highly adaptable for student members to interact and stay informed. She is double majoring at the UTD in Supply Chain Management and Global Business.
