Benefits

IMPACT OF APICS CERTIFICATION ON SALARY

Supply chain professionals who hold an APICS Certified in Production and Inventory Management (CPIM); Certified Supply Chain Professional (CSCP) or Certified in Logistics, Transportation and Distribution (CLTD) designation earn more than those who are not certified. Those who had earned at least one APICS certification reported median salaries that were 21% higher than those who were not certified

APICS CERTIFICATION COMPARED

Those with at least one APICS certification reported salaries 18% higher than those with other certifications.
